

Welcome Home!

# Hi!

A warm welcome to Morgan Court and to Edinburgh! It's your new home away from home, conveniently located with Pleasance (gym and sport facilities), the Royal Mile, and Cowgate (nightlife) nearby. It's also a short walk away from the City centre and Arthur's Seat. In here, you will be part of a very big community, which we hope you will grow to love and feel at home in. Hope you're going to love living here as much as I do!

## Who Am I?

I'm Michał (ME-how) and I'll be one of your Resident Assistants. I'm currently in the 3rd year of my Informatics degree. I like to travel, learn languages, read about politics, and absolutely love music. As your Resident Assistants we aim to provide you with a support network to make your first year of university truly unforgettable! There will be 5 of us living with you across the two sites (Morgan Court and Darroch Court) organising events, building a community and making sure that whenever you have any problems there is someone you can turn to for help and advice. If you need help with any questions during your stay at Morgan Court and in Edinburgh or simply want to chat don't hesitate to get in touch!
